Building on Tradition ....Focusing on the Future

Build on the Tradition, while helping us to Focus on the Future at the e-ventplex at the Frederick Fairgrounds, through our capital fund drive brick campaign! Serving as the site of the annual Great Frederick Fair and the home of The Frederick County Agricultural Society Inc., this campaign is an aggressive united force to promote our community's agricultural economic health and well-being, support agricultural education programs and upgrade our facilities to a level of expectance.

The Great Frederick Fair, Frederick County's single largest event, has a long standing tradition in our community. In Focusing on the Future, our Vision is to preserve this historic landmark in the City of Frederick where the annual county fair is held in September.

Your financial gift to the brick campaign will not only help us achieve our Focus of the Future, but to maintain our Building Tradition.

For more information on the brick campaign, call 301-663-5895 or email us at email@thegreatfrederickfair.com
